

## PYLERA®: Daily dosing schedule

### 1. After breakfast

3 PYLERA® capsules  
+ 1 omeprazole 20 mg  
capsule/tablet

Take after the  
corresponding meal.  
Avoid alcohol and  
dairy products during  
this therapy.

### 2. After lunch

3 PYLERA® capsules

### 3. After dinner

3 PYLERA® capsules  
+ 1 omeprazole 20 mg  
capsule/tablet

Take PYLERA® and  
omeprazole after a  
meal with a full glass  
of water (250 ml) while  
sitting down to reduce  
the risk of oesopha-  
geal ulceration caused  
by tetracycline hydro-  
chloride.

### 4. Before bedtime (preferably after a snack)

Patients should not lie down  
immediately after taking Pylera  
and omeprazole.

3 PYLERA® capsules

DE-PYL-2050001

**PYLERA®:**  
1 bottle with 120 capsules, treatment duration: 10 days

**Important:**  
Adhere to the entire treatment duration -  
even if you already feel better after a few days.
